

# First Presbyterian Church of Woodstock

*A fellowship of people in all stages of life who gather together, praising and worshipping God with gratitude for our many blessings, accepting and caring for all God's children, and serving the community and the world with love and joy.*

## Back to the Grind?

It is now August, and for many, that brings a return to the routine of school and "fall" activities. I hope it's not too much of a "grind," though! Some have been traveling, enjoying the beauty of God's creation, and now you're back home for a while. I hope that we can all enjoy the gifts of God in our everyday lives, as well as in the grand adventures. Psalm 118:24 says "This is the day that the Lord has made; let us rejoice and be glad in it." Every day is a day for rejoicing!

August 1st also brings my first anniversary of serving God alongside you as your pastor. The pandemic has brought about creativity in ways that we worship and serve together. I've seen some of you more often on my computer screen than in person, and that is certainly a different way of beginning a pastorate! I am grateful for our time together over the past year, and I look forward to many years of ministry together. My hope is that we can resume more activities this coming year than we were able to do in the past year. I'm excited to hear your creative ideas as we explore new ways to be the body of Christ in Woodstock and beyond. Got ideas? Let me know!

Thanks to all who played a role in my installation service on July 31st. It was a joyous time as we formalized my role as your pastor. If you missed it, you can view the video and see photos at [fpcwoodstock.org/installation](http://fpcwoodstock.org/installation).

I hope to see you in worship, in meetings, and in fellowship soon. Please reach out to me anytime – you can email me at [eric@fpcwoodstock.org](mailto:eric@fpcwoodstock.org) or call/text me at 815-575-9454. ## Spreading the vision of Matthew 25 across the Church

by Melody K. Smith | Presbyterian News Service

The 1,000th congregation to join Matthew 25 is Highland Presbyterian Church in Winston-Salem, North Carolina.

Highland has long been committed to the emphases of the Matthew 25 vision, even before the movement began. From its founding in 1949, Highland has been actively involved in the community in ministries that challenge structural racism and address poverty — all the while maintaining a vibrant congregational life centered in worship, learning and caring.

The church has longstanding partnerships with other congregations in the community as it's studied and discussed the realities of racism, partnered to build Habitat houses, shared in pulpit exchanges and more. In fact, the first interracial, interfaith Habitat build in the world happened in Winston-Salem through this partnership.

The church also actively supports over 20 organizations in the community with funding and volunteers as members and friends address issues of systemic poverty and suffering among their most vulnerable neighbors.

According to Randy Harris, pastor of Highland Presbyterian Church, "Our session's decision to join in the Matthew 25 movement came as the result of a recommendation from Highland's HEART Force (Highland Equity and Anti-Racism Task Force), recognizing the benefits that may come in connecting more intentionally with this denominational effort. We're glad to be part of it and know that we're better together!"

Highland Presbyterian joined 999 other churches, 87 mid councils and 54 groups like colleges, caucuses and prison ministries on the journey to live out Matthew 25 and help the denomination become a more relevant presence in the world. These commitments have re-energized faith and inspired many to unite for a common identity — to do mission.

## August WACM Notes

The WACM Board of Directors extends a big thank you to all the people who have generously volunteered at the Clothing Closet over the years. The Clothing Closet has been a wonderful resource for the Direct Assistance Program which has provided vouchers for clothing or household items to residents in need. The Clothing Closet has been a steady financial supporter of WACM as well. We say a sad farewell to this organization and its volunteers as it permanently closes its doors. Thank you to the Clothing Closet for all the service you offered in Woodstock!

## Deacon Update for August

A report was given from the Memorial Committee, which is part of the Deacons about improving the church sign. We are investigating purchasing newer digital sign panels as it is the reason it is hard to read and our program is outdated. Matt Thuma, John Moorhouse and Pastor Eric are looking at some options and costs. Hopefully the cost can come from the Memorial Fund.

We have assigned coffee hour by months to Deacon members with the hopes of having their flocks help out in the hosting. Please help out if you get a call and get to know your Deacon and the congregation better!

Deacons discussed members who are going through certain difficulties who need some special care.

Please let us know if there is anything we can help you with. Concerns, health issues and celebrations are helpful to know about as we continue to care for you.

## SESSION NOTES FOR AUGUST

Session Notes for July

Nominating Committee: Bob Clark reported that we received more declines from our asks for both deacon and elder positions. The committee will meet again to regroup on filling the current open positions

Compassion, Peace and Justice: Our Pentecost offering is now at approximately \$1,000 vs. goal of \$1,400. Diaper bank participants are increasing.

Education and Spiritual Growth: Jackie Lawler reported consideration of adding a VBS event in the fall and will provide an update at the August session meeting. Confirmation will switch to an "every other year" cycle with the hope to have increased participation. Sunday School is planned for kick-off on September 11.

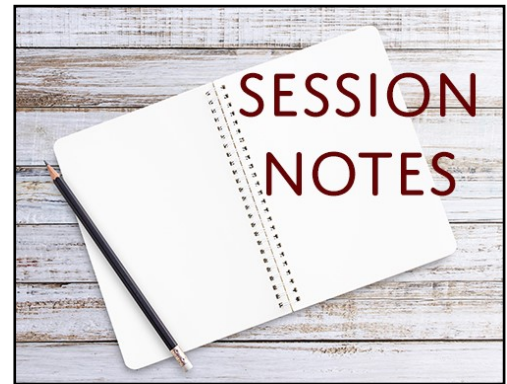

Building and Grounds: We have been displeased with the current cleaning service and we have new cleaning people. Dawn Cook noted the need for volunteers to organize and periodically clean all classrooms as the service does not clean those rooms.

Personnel: The committee will be meeting with Jeri for a 90-day review of her responsibilities.

Other Business

Session approved a motion to form a taskforce to address redecorating the Great Hall to make it more spiritual.

Next Regular Meeting: Sunday, August 21st at 11:00 a.m.

## Finance Team for August Newsletter

Summary Finance Review 6-30-22 (provided by Cary Cook Treasurer)

FPC continues to remain in a sound financial position, and we remain debt free. Our operating net income is at a (\$16K) deficit position, an \$11K improvement in where we projected to be at six months (\$27K). With the improvement we have not moved \$10K from the Endowment Fund for our planned deficit funding. Continued Covid and economy impacts have slowed the return to more normalized church activities.

Contributions overall at \$118K are just over budget in total. Pledged shortfall exists with 20 of 48 contributors behind but is more than offset by growth in unpledged support being received. Those behind are mostly just one payment back and catchup is expected as is historically experienced. No pledge is felt in jeopardy at this point. Other income mainly in the form of specific mission efforts are progressing as planned as well. Local mission commitments will be reviewed for next month.

June is kind of our catchup month as we submit our mission payments as collected or pledged to date. All of our Presbytery special offering collections and our annual per capita and mission pledge totaling just over \$20K were remitted as planned. Lesser activities in educational activities, building use equipment and building repairs have allowed us to lessen expenses. Other categories of expense remain under control and within budget plans.

On the Balance Sheet we remain in good position as well. Operating account level is now down to acceptable levels with payouts of our mission commitments.

## PER CAPITA Reminder

It has been said that per capita apportionment is like a utility bill. Just as we pay for heat, light, water, and telephone in order to remain connected to the utility systems and benefit from the services provided, we also pay per capita so that the Presbyterian system can function on behalf of all of us. It is the necessary linkage in our connectional system. The payment of the per capita apportionment can be seen as a sign of healthy relationships within the church, giving tangible witness to the unity and wholeness promised to us in Jesus Christ, and is a way of sharing the costs that equitably belong to the whole Presbyterian Church. You may learn more about per capita at <https://blackhawkpresbytery.org/percapita-and-mission-giving/>.

Current Per Capita for Blackhawk Presbytery Congregations in 2022 is \$40.00. We will appreciate receiving your support for this expense we pay for each member of FPC each year to our Blackhawk Presbytery. You can pay this online via our website at <https://www.fpcwoodstock.org/> and then select Giving in the upper right-hand corner of the home page and select Donate Online. You may choose the Per Capita option to complete your donation. If you are writing a check, simply write Per Capita on the memo line. Thank You!

## Worship Offerings Help Needed

We are seeking volunteers to help with this task each week. Our security process requires that we have two people count the weekly offering proceeds. We need a volunteer each week to perform this task on a weekday with Jeri Loiselle during Jeri's typical office schedule. Jeri has placed a signup sheet in the entryway for your convenience. Thanks for your cooperation.

Respectfully submitted by Bob Clark – Finance Team Lead

And appreciation for our Finance Team Members: Cary Cook, Dave Davis, Pastor Eric, Vicki Thuma, Jeri Loiselle.
